Writing Rooms

Join our twice weekly online writing rooms. Everyone is welcome, whether you are writing, reading, or editing. The writing rooms will start with an opportunity to share your writing intention for the hour. You will then choose from two spaces to write in: the Pomodoro room, where you will write for 25 minutes, then take a 5-minute break, or the 'Shut Up and Write!' Room, where you can write without distraction. There is no need to register for the writing rooms, simply join via the link:
